THE YACHT

The 31.27m (102'7") **CARPE DIEM** represents an exceptional opportunity to acquire a near-new Azimut Grande 32 Metri, delivered in 2023. Combining cutting-edge Italian design with advanced naval architecture, she offers buyers the rare chance to step immediately into ownership of a yacht that is turn-key, fully equipped, and ready for her next adventure.

She has had very limited use, accruing limited engine hours and has been meticulously maintained by her long standing captain.

Her sleek, dynamic profile captures the spirit of the Grande series, while her carbon-fibre superstructure and advanced hull design deliver impressive performance, efficiency, and seakeeping.

Expansive exterior decks provide versatile spaces for entertaining and relaxation, from her panoramic flybridge with retractable sunroof, Jacuzzi, and bar, to the refined beach club with floating dock for seamless access to the water.

The interior is a showcase of bold contemporary styling and fine craftsmanship, with generous living areas that balance luxury and practicality. A full-beam panoramic master suite, complemented by additional guest accommodations, ensures comfort for family and friends alike.

Wellness and lifestyle are integral to **CARPE DIEM's** design, with an onboard gym, easily converted back into a 5th cabin with full ensuite facilities.

CARPE DIEM is an outstanding purchase opportunity for an owner seeking a pedigree Italian motor yacht, combining the latest design, proven performance, and luxurious onboard amenities.

A wide-angle photograph of a yacht's deck. In the foreground, a large, curved, light-colored sofa with dark blue cushions is visible. Behind it, a rectangular dining table is set with white linens, glassware, and plates. Several white chairs with dark frames are around the table. The deck is made of light-colored wood. In the background, the blue sea and a distant shoreline with palm trees are visible under a blue sky with white clouds. The yacht's white superstructure and a large window are also part of the scene.

EXTERIOR

EFFORTLESS OUTDOOR LIVING

CARPE DIEM is a masterclass in modern Italian design, where every exterior space is crafted for the pure enjoyment of life at sea. Her sleek, athletic lines turn heads, but it's her open-air lifestyle that truly sets her apart.

From sunrise to sunset, the deck spaces invite effortless relaxation and entertainment. The expansive flybridge - complete with the retractable sunroof, Jacuzzi, and full bar - offer panoramic views by day and a glamorous setting for cocktails by night. On the foredeck, oversized sun pads and a private lounge create an idyllic spot for morning coffee or afternoon sunbathing, while the shaded aft deck provides an elegant backdrop for long, alfresco dinners.

Every surface, from the warm teak decks to the refined upholstery, have been chosen for both beauty and comfort, ensuring the transition between relaxation, dining, and adventure is as natural as the sea breeze.
